Present law creates the Lakeview Crime Prevention District in Orleans Parish. Establishes the boundaries, powers, and provides for the governance of the district by an 11 member board of commissioners consisting of the following:

(a) The president of the Lakeview Civic Improvement Association shall be an ex officio member.

(b) Four members appointed by the board of directors of the Lakeview Civic Improvement Association.

(c) One member appointed by the member or members of the Louisiana House of Representatives who represent the area comprising the district.

(d) One member appointed by the member or members of the Louisiana Senate who represent the area comprising the district.

(e) One member appointed by the assessor for the second municipal district.

(f) One member appointed by the assessor for the seventh municipal district.

(g) One member appointed by the mayor of New Orleans.

(h) One member appointed by the council member or council members representing the district.

Proposed law retains the total membership in present law but removes the two members appointed by the respective assessors and increases the number of appointments made by area legislators from each chamber from one to two members.

Present law authorizes the district to impose a parcel fee which may be renewed by the voters at a mayoral primary election.

Proposed law retains voter approval of the parcel fee but provides that the election to renew the fee may be held at an election for that purpose in accordance with the Louisiana Election Code.

Effective July 1, 2010.
